

# DIMPLE KUMARI | WEB DEVELOPER

Reactjs developer  
dimpleshakrawar@gmail.com  
+91 6207638467

## PROFESSIONAL SUMMARY

As a seasoned Frontend Developer with over a year of professional experience, I specialize in web development. My toolkit includes HTML, CSS, and JavaScript, alongside an in-depth command of React and Next.js. I'm passionate about delivering captivating, responsive, and user-focused web applications.

## SKILLS

- |              |                         |                     |              |
|--------------|-------------------------|---------------------|--------------|
| ✓ Nextjs     | ✓ Tailwind CSS          | ✓ Typescript        | ✓ Vanilla Js |
| ✓ Reactjs    | ✓ REST Api              | ✓ Media Query       | ✓ Sass       |
| ✓ Redux      | ✓ HTML and CSS          | ✓ Styled Components |              |
| ✓ Javascript | ✓ Responsive Web Design | ✓ Antd              |              |

## PROFESSIONAL EXPERIENCE

### Nomoex Technology

Reactjs Developer | 01 January, 2023 - Present

- Worked on developing and enhancing feature-rich admin panel. Implemented user-friendly interfaces with clean designs.
- Developed and maintained responsive web applications using HTML, CSS, and JavaScript.
- Efficiently fetch data from RESTful APIs using Axios, ensuring seamless integration and dynamic content for enhanced user experiences
- Built responsive web apps with scalable, optimized code. Employed component-based architecture and organized folder structures for efficient development and maintenance
